### ***Repair work underway at Port Dock 5***

*Posted: Tuesday, Jan 31st, 2012*

BY: Philip Swett

Those who visited the Newport Bayfront earlier this week may have noticed a large crane at Port Dock Five along the boardwalk, as well as the temporary closing of a nearby channel by a section of floating dock. Contractors for the Port of Newport have been working to replace and upgrade a section of the heavily used facility.
